

STRONGPOINT

Rules and Range Operating Procedures

1. Know and obey all rules and precautions issued by Range Personnel.
2. All firearms shall be pointed down range, even when on the shooting tables, when the weapon is not being fired. Remember you are responsible for every round that is fired by your weapon.
3. **Shooters on the rifle range are responsible for communication with other shooters around them in regards to cease fire as well as prior to going down range for target changes/checks.**
4. Report any and all injuries and rules violations to range staff.
5. Do not shoot any barricades, barriers, buckets, trash cans, or other items on the range. **SHOOT ONLY TARGETS.** Failure to comply will result in the denial of use of range facilities.
6. It is your responsibility to clean up after yourself. Please place all paper boxes and used targets in cans provided. Pick up and put spent casings in bucket provided.
7. If spent casings on the ground or in the bucket do not belong to you, you may not take it for yourself unless cleared through range personnel.
8. **EMERGENCY CEASE FIRE:** An emergency cease fire may be called by anyone on the range if needed. Shooting WILL NOT resume until the range has been cleared and deemed safe by range staff. A cease fire will be signaled by one air horn blast and resume fire will be signaled by two blasts.
9. Member is responsible for any damage to range facility, property, equipment and rental items.
10. Range management reserves the right, at its sole discretion, to:
 - a. Close the range due to weather conditions and other variables
 - b. Close part or all of range for events
 - c. Expel any member or guest deemed to exhibit inappropriate behavior
 - d. Deny access to anyone
 - e. Change range hours and days of operation
11. Members must be current with all fees and charges and check in with range staff prior to range access.
12. Members and Day guests must check in with range staff, complete required forms, and pay fees prior to range access.
13. All members, day guests, and visitors must have a signed waiver on file for each calendar year.
14. Hearing and eye protection must be worn on the range. See range personnel if you need eye or hearing protection.
15. The use of drugs or alcohol on STRONG POINT property is prohibited. Persons thought to be under the influence of drugs or alcohol will be denied use of the shooting facility at the sole discretion of range staff.
16. Horseplay or other activities not related to shooting are not allowed on the range.
17. Use staplers on target frames only. DO not staple posts, benches, seats, or other range property.
18. **User ages:** Pistol shooters must be 21 or older, or be supervised by a parent or guardian. Rifle and shotgun shooters must be 18 or older or be supervised by a parent or guardian.
19. Visitors and spectators shall remain behind the active shooters at all times.
20. Only targets approved by range personnel may be used. Check with range staff prior to shooting.
21. Any violation of the safety rules, operating procedures, or range staff instructions can be cause for removal from the range.
22. **STRONG POINT reserves the right, at its sole discretion, to deny anyone access to the shooting facilities when it is deemed necessary by range staff.**
23. Ensure all personnel in the surrounding areas are aware that you are beginning to shoot.
24. STRONG POINT reserves the right to limit time at shooting stations when necessary depending on member volume. When usage is high we ask that station time be limited to two (2) hours. When volume is not an issue, members and guests are welcome to use stations as much as desired during hours of operation.
25. Members may reserve stations up to a month in advance.

Rifle Range Steel Target Rules

Authorized calibers to shoot at Steel Targets:

- .22 LR up to .308 / 7.62x51
